

TELESALES CAMPAIGN DETAILS

TELESALES IS ONE OF THE MOST SUCCESSFUL METHODS USED TO ACCESS KEY DECISION MAKERS AND BOOST SALES.

At Take My Calls V.A.S., we live and breathe high-quality calling with integrity. From the first moment you contact us, you notice the difference. We are experienced. We are flexible. We are credible. Most of all, we listen to what your goals are to **GROW** your business and we deliver.

QUALITY ASSURANCE: All calls are monitored to verify quality, handling calls, and the sales.

SALES EXECUTIVES: Our Sales Executives are highly trained and have plenty of experience to improve call quality, call handling, sales and talk time. Reassuring you and your customers that we're providing the best!

FAST TURNAROUND: We wish to be effective in our sales so therefore depending on the campaign and training needs we can have your campaign active within 72 hours.

NOTIFICATIONS: We email you any and all sales, service request or appointments the moment they are submitted. Providing you the information in real time.

QUALIFIED AND VERIFIED SALES: Upon completing a sale or scheduling an appointment, we verify that the caller knew what was going on during the call and what's needed when the representative arrives or calls.

WE ARE ABLE TO:

- ✓ Build the strength of your sales
- ✓ Add a highly effective sales pipeline tool into your current marketing strategy
- ✓ Make appointments with the decision makers that you need to influence
- ✓ Engage decision makers in a way that results in them purchasing your product or service
- ✓ Achieve success in building relations with new clients as agents make upto 300 dials a day
- ✓ Take a sales order for a product or service within the call
- ✓ Cross sell or up sell products to existing customers
